Research. Innovation. Sustainability.

Launch of the
Report on:
“Our Future on
Earth, 2020”

What will it take to create a more sustainable world? Our Future on Earth 2020 is a report synthesizing the latest knowledge to assess the current state of our planet.

Please join us to discuss where we are now, where we want to go, and how we might get there.

Date: February 13, 2020.

Time: 10:00 to 12:30

Venue: Faculty Hall, Indian Institute of Science

Guest of Honour: Dr. K. Kasturirangan, Padma Vibhushan, Former Chairman, Indian Space Research Organization (ISRO).
